Eligible People - As defined by ABB Inc.

Also eligible are your Spouse and your Children to the end of the month in which they turn 26, including your Children who are married, who no longer live with you, who are not your Dependents for Federal income tax purposes, and/or who are not permanently disabled.

Coordination of Benefits - If you and your Spouse are both eligible to enroll in This Plan as Enrollees, you may be enrolled together on one application or separately on individual applications, but not both. Your Dependent Children may only be enrolled on one application. Delta Dental will not coordinate Benefits between your coverage and your Spouse's coverage if you and your Spouse are both covered as Enrollees under This Plan.

Delta Dental will use a carve-out method of coordinating benefits. If the patient has other coverage and that coverage has a higher priority than this plan, this plan's payment for covered services will equal the amount payable under this plan minus the amount paid by the primary carrier. This plan's payment will not exceed the amount that would have been paid in the absence of any other plan.

Benefits will cease on the last day of the month in which the employee is terminated.
